

# Housing

The Social Housing Program provides safe and adequate housing to individuals and families in need. This program is intended to serve households with low incomes; priority is given to seniors (60+), families with children or dependants, and individuals with disabilities.

This program is possible through contributions by the federal, provincial, and municipal governments.

The rent for a housing unit is based on gross household income. Priority for placement is given to applicants in most need. Applications are kept on file for six months.

Seniors who do not meet eligibility criteria may still be able to rent units, depending on availability.

The Housing Authority presently has vacancies and may be able to rent to applicants that do not meet program criteria. Anyone looking for housing is encouraged to apply.

Applications can be obtained through the Housing Authority Manager.
