

TOWN FOREMAN POSITION

The Town of Ituna is actively seeking a full time Town Foreman who is certified with his/her Class 1 Water/Waste Water Operator's Certification (or willing to obtain), this is both a management and working position where on-call and after hours work will be required.

The successful applicant will be wholly responsible for coordinating the overall operations of the Ituna Public Works Department, including, but not limited to water/wastewater operations, infrastructure, municipal buildings, equipment, scheduling public works shifts, budget preparation, monthly reporting and asset management.

Professionalism, organizational and time management are required and proven leadership & management skills are essential. You must be able to work with minimal supervision as well as interact with the public in a professional manner.

It is preferred that applicants have their level one water and wastewater certificate but those who are willing to obtain theirs will also be considered, a valid driver's license, and driver's abstract will also be required.

Anyone who has these assets are encouraged to submit a resume by July 23, 2018 to: Town of Ituna, Box 580, Ituna, SK. S0A 1N0.

We would like to thank all applicants for their interest in this position; however only those candidates selected for an interview will be contacted.
