

TOWN OF ITUNA
BYLAW 7-94

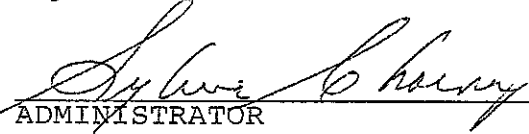

A BYLAW TO PROVIDE ENTERING INTO AN
AGREEMENT RESPECTING AN EASEMENT FOR
EFFLUENT FLOW

THE COUNCIL of the Town of Ituna, in the Province of Saskatchewan enacts as follows:

- 1) THAT the Town of Ituna is hereby authorized to enter into an agreement, attached hereto and forming part of this bylaw and identified as Exhibit A, with Leona P. Krywulak for the purpose stated within the Agreement.
- 2) THAT the Mayor and Administrator of the Town of Ituna are hereby authorized to sign and execute the attached identified as Exhibit A.

This bylaw comes into force on the date of signing of the Agreement.

MAYOR

ADMINISTRATOR

EASEMENT AGREEMENT

BETWEEN LEONA P. KRYWULAK, of the Town of Ituna in the Province of Saskatchewan hereinafter referred to as the owner,

AND

THE TOWN OF ITUNA in the Province of Saskatchewan.

THAT THE OWNER agrees to grant an easement being part of S.W. of Section 14, Township 25, Range 11, West of the Second Meridian located south of the Canadian National Railway right-of-way for backsloping of land and construction of a dike required to construct a drainage ditch to drain the evaporation pond belonging to the Town of Ituna into Pheasant Creek.

THE TOWN OF ITUNA agrees:

1. that the said drainage ditch will be constructed in the Rural Municipality right-of-way.
2. that the ditch will be used for a one time discharge of the effluent from the evaporation pond into Pheasant Creek.
3. to assure that the effluent will not flow into the large slough located on the south side of the Canadian National Railway tracks.
4. to close the discharge channel from the evaporation pond on or before December 15, 1994 and assure that the flow of the effluent from the pond shall cease after this date.
5. to dismantal the dikes after the completion of the effluent discharge and being no later than May 15, 1995.

AS COMPENSATION to the Owner for the easement the Town of Ituna agrees to:

1. remove the shrubs and willows between the right-of-way and the land currently under cultivation.
2. level the land in the aforesaid area.
3. cover the area with black soil making it suitable for growing crops.

DATED this 19th day of October, 1994 in the Town of Ituna in the Province of Saskatchewan.
